REMARKS

This Amendment after allowance adds dependent claims depending from the allowed claim 61. The added claims were present in the original application but were dependent upon claim 60. Because the new claims are merely dependent claims depending from an allowed base claim, Applicant submits that they are allowable without further search.

Applicant requests entry and allowance of allowance of new claims 160-167.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment to the deposit account of McAndrews, Held & Malloy, Account No. 13-0017.

Date: December 15, 2006

Respectfully submitted,
